VILP Early Years Consultancy Ltd T/As Building Bricks Preschool Swanland and Building Bricks @ Hunsley Primary School.

Building Bricks @ Hunsley Primary School is Ofsted registered and opened in September 2015. We provide before and after school care for children who attend Hunsley Primary School. We offer a relaxed, fun-filled, play-based environment, where children can feel safe in an atmosphere of mutual respect. We support children to become independent, self-disciplined, and caring. We involve children in lots of decision making regarding the toys, games, and activities they choose to enjoy at the clubs.

Staff: Most of our staff team hold a recognized Early Years or Playwork qualification. All attend Safeguarding, Food safety and Paediatric first aid training and are very experienced. We are committed to ongoing staff training and development. Reception/EYFS children will each be allocated a **key person**, who maintains links with you and your child's teacher and monitors your child's interests, progress, and achievements.
