

# Themes and Big Questions

## Term 1

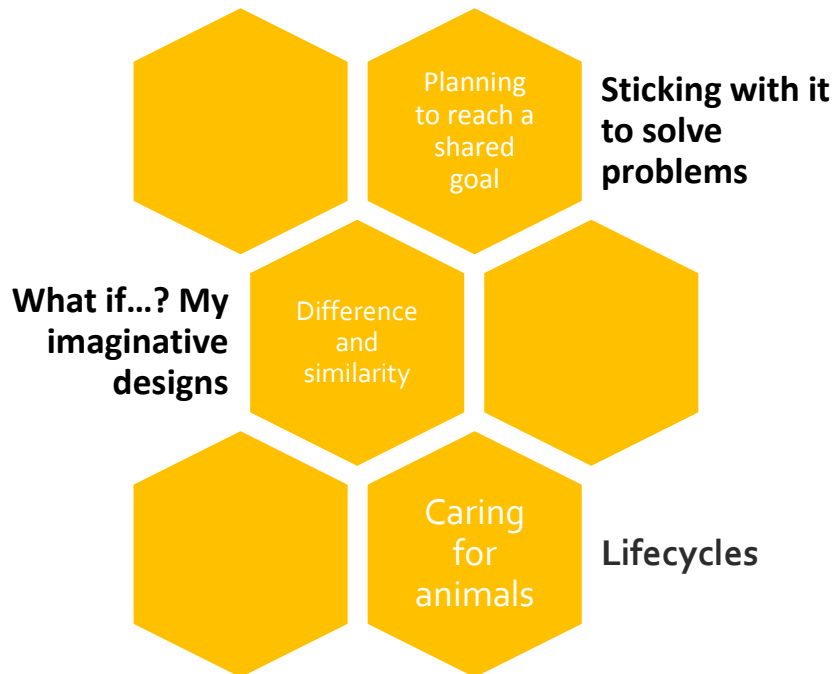

### How am I unique?

What do I look like? How do we all get along? How my super senses work? What keeps me healthy?  
What do animals look like and how does this help them? What are the rules?

### How can we keep warm in winter?

What is the difference between fire and ice? Why does it snow? How do creatures live in the Arctic?  
Is it cold under the sea? Why do the seasons change? What brings us together in the winter? Can our beliefs, behaviour and ideas keep us safe and warm?

## Term 2

### What makes a house a home?

How do families celebrate? What is the perfect house design? How do animals build their houses? Where do we live? Why are so many stories set in castles?

### Why does day change to night?

Who comes out at night? How can we keep safe and stay visible? Why is it night on the opposite side of the world when it is day here? Why do mini-beasts prefer a dark home?

## Term 3

### How can we feed the world?

What's the best way to save energy? How does my food get from the farm to my fork? What is a food chain? Does the weather affect what I eat for tea?

### What can we find beyond the horizon?

How do I get from A to B? Is there a best way to travel? How do I record my journeys? What can be found out in space? Which creature travels the furthest in the world?
