Please note: We strictly follow specific guidelines with regard to the handling and preparation of foods and hygiene practices; however, we do use a wide range of ingredients in the preparation of food and all our meals are prepared within the same kitchen. Meals, therefore, are not guaranteed as 'allergen-free' due to the potential for cross-contamination during food preparation. We do, however, follow all recommended guidelines and risk assessments for the safe handling of ingredients containing allergens and preparation of food.
