1. Aims

Hunsley Primary is committed to ensuring all its pupils receive a full-time education which maximises opportunities and achievement for all. For pupils to gain the most from their time at Hunsley Primary, it is vital that they maintain excellent attendance and punctuality and we are committed to supporting pupils and their parents and carers in sustaining this throughout their time at school. In doing so, we will:

- Set high expectations for the attendance and punctuality of all pupils.
- Ensure that all pupils access full-time education which meets their needs and allows them to reach their potential.
- Strive to provide a welcoming, caring and safe environment where each pupil can engage in all opportunities offered
- Promote good attendance and punctuality and discourage unjustified absence
- Act early to address patterns of absence
- Commit to building strong relationships with families to ensure pupils have the support in place to attend school
- Continue to emphasise that it is everyone's responsibility to improve attendance and punctuality

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)

- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

This policy also complies with our trust's funding agreement and articles of association.

The designated senior leader responsible for attendance is **Julie Boyes (Assistant Headteacher)** and can be contacted via enquiries@hunsleyprimary.org.uk

4.5 Headteacher

The headteacher is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies • Where necessary, issuing fixed-penalty notices

4.6 The local governing body

The local governing body is responsible for:

- Promoting the importance of school attendance across the trust's policies and ethos
- Making sure school leaders fulfil expectations and statutory duties
- Regularly reviewing and challenging attendance data
- Monitoring attendance figures for the school
- Making sure staff receive adequate training on attendance
- Holding the headteachers to account for the implementation of this policy

To support this, governors receive information about school attendance and absence rates at each local governing body meeting.

5. Recording attendance

5.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024 whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment See appendix 2 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 9am on each school day.

The register for the first session will be taken at 9am and will be kept open until 9.30am. The register for the second session will be taken at 1pm and will be kept open until 1.30pm.

5.2 Unplanned absence

The pupil's parent/carers must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible by calling the school 01482 330883 / enquiries@hunsleyprimary.org.uk

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parent/carer will be notified of this in advance.

5.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment by telephoning or emailing **on 01482 330883** / enquiries@hunsleyprimary.org.uk. Parents/carers should also provide the school with a copy of the appointment confirmation.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 6 to find out which term-time absences the school can authorise.

5.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code (L)
- After the register has closed will be marked as absent, using the appropriate code (U) We define (L)

as pupils who arrive after 9am/1pm but before 9.30am/1.30pm.

We define (U) as pupils who arrive after 9.30am/1.30pm.

5.5 Following up unexplained absence

Where any pupil/ we expect to attend school does not attend, or stops attending, without reason, we will:

- Call and email the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If we cannot reach any of the pupil's emergency contacts, we may contact police and other relevant local authority agencies
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents/carers to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals

- Where support is not appropriate, not successful, or not engaged with consider further action as detailed in section 6.2 below

5.6 Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels. This will be done twice a year unless a child's attendance is causing concern and the school will contact a parent by letter in order to make them aware of the attendance level and offer support to improve attendance.

6. Authorised and unauthorised absence

6.1 Approval for term-time absence

The headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence. An 'Exceptional Absence Request Form' should be completed which is accessible via the school office or website. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Physical or mental illness and medical/dental appointments (see sections 5.2 and 5.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

Exceptional circumstances could include:

- Service personnel returning from a tour of duty abroad where it is evidenced the individual will not be in receipt of any leave in the near future that coincides with school holidays.
- Where an absence from school is recommended by a health professional as part of a parent or child's rehabilitation from a medical or emotional issue.
- The death or terminal illness of a person close to the family.
- To attend a wedding or funeral of a person close to the family.
- Where there are exceptional and unforeseen circumstances that fall outside of 1 to 4 above, the headteacher agrees to consult with the principal education welfare officer prior to any authorisation being given to the parent. The principal education welfare officer will discuss each case with an independent Headteacher and will make a recommendation to the referring school.

Please note: Evidence would be required in each case.

If a request meets the above exceptional circumstances but falls within the following times, the headteacher must be convinced that absence from school is the only option:

1. The first half-term of any academic year (applies to all pupils)
2. Year six transition day (for pupils in year six)
3. Year six SATs week (for pupils in year six)
4. Year nine options time (for pupils in year nine)
5. At any time during years 10 and 11 (for all pupils in these year groups)
6. At any time specified by the school (this will be communicated to parents by each school).

6.2 Legal action to enforce school attendance

Local authorities and schools can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent/carer must pay the local authority £80 within 21 days or £160 within 28 days. The payment must be made directly to the local authority. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

In line with statutory guidance ([working together to improve school attendance](#)) headteachers will decide whether it is appropriate to issue a penalty notice for any pupil where their attendance meets the national threshold for issuing a penalty notice

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded/suspended pupil is found in a public place during school hours without a justifiable reason

As stated at the start of this policy, The Education Alliance Board of Trustees is committed to building strong relationships with families to ensure pupils have the support in place to attend school. With this in mind, they have agreed that headteachers will not issue penalty notices where they are of the view that:

- The parent/carer is working proactively with the school to improve their child's attendance
- Issuing a fine would be counterproductive.

7. Strategies for promoting attendance

To support high levels of attendance, the school will continually monitor and act to improve attendance. Attendance data will be analysed weekly by the school administration team (Louise Hitchin, School Administrator/Attendance Officer), Julie Boyes (Assistant Head / DSL) and Lucy Hudson (Headteacher / SENCO). Where action is required, this will follow a staged approach as outlined below.

Stage 0 - refers to the approaches taken to promote high attendance for all pupils across school. This involves continued monitoring of attendance to identify and intervene with attendance concerns early. Parents / carers of all pupils who are absent without reason, will be contacted on the first day of absence. Spotlight on Attendance - where a pupil's attendance falls below 95% parents/guardians will be sent a Spotlight on Attendance letter.

Stage 1 – where a pupil's attendance continues to fall following Spotlight on Attendance letter, parents/ carers will receive a Stage 1 letter to notify of monitoring and to support an improvement in attendance.

Stage 2 - parents/guardians will be sent a Stage 2 letter where a pupil's attendance falls below 92%, inviting them to a meeting with the school Attendance Officer (Assistant Headteacher, Julie Boyes). This meeting will be to discuss ways to support sustained improved attendance for the pupil. An Attendance Action Plan will be put in place with targets for improvement.

Stage 3 – where a pupil's attendance does not improve and continues to fall and the targets set in the Attendance Action Plan have not been attained, a Stage 3 letter will be sent out. This will invite parents/guardians to an Attendance Panel Meeting with the Assistant Headteacher or senior member of school staff and the Local Authority Education Welfare Office (EWO) to review the action plan and ascertain next steps under the guidance of the Local Authority.

8. Attendance monitoring

8.1 Monitoring attendance

The school will: Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level

- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the local governing body

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents/carers of pupils who the school considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school

- Provide access to wider support services to remove the barriers to attendance

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum yearly by the Headteacher/Senior Leader with responsibility for attendance. At every review, the policy will be approved by the full local governing body

10. Links with other school policies

Appendix 2: Attendance Codes

The following codes are taken from the DfE's guidance on school attendance.

Register Code Updates: from 19 August 2024 onwards

Codes with no changes

/\	Present	Present at the school / = morning session \ = afternoon session
----	---------	---

B	<p>Attending any other approved educational activity</p> <p>*Statistical authorised absence</p>	<p>The pupil is attending a place for an approved educational activity that is not a sporting activity or work experience. The educational activity must take place during the session for which it is recorded.</p> <p>A pupil can only be recorded as attending a place for an approved educational activity if:</p> <ul style="list-style-type: none"> • the place is somewhere other than the school, another school where the pupil is registered, or a place where educational provision has been arranged for the pupil by a local authority. • the activity is of an educational nature; • the school has approved the pupil's attendance at the place for the activity; and • the activity is supervised by a person considered by the school to have the appropriate skills, training, experience and knowledge to ensure that the activity takes place safely and fulfils the educational purpose for which the pupil's attendance has been approved. <p>Schools have responsibilities for the safeguarding and welfare of pupils attending an approved educational activity. The school will need to be satisfied that appropriate measures have been taken to safeguard the pupil. Schools should ensure that they have in place arrangements whereby the provider of the educational activity notifies the school of any absences by the pupil. The school must record the pupil's absence using the relevant absence code.</p> <p>As set out in the DfE's guidance on 'Providing remote education', pupils who are absent from school and receiving remote education still need to be recorded as absent using the most appropriate absence code. Schools should keep a record of, and monitor pupil's engagement with remote education, but this is not formally tracked in the attendance register.</p>
C	<p>Leave of absence for a compulsory school age pupil subject to a part-time timetable</p> <p>*Statistical authorised absence</p>	<p>All schools are able to grant a leave of absence at their discretion. A leave of absence should not, and from school maintained by a local authority or a special school not maintained by a local authority, must not be granted unless there are exceptional circumstances.</p>

		<p>Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request. Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school. A leave of absence is granted entirely at the school's discretion.</p> <p>Schools maintained by a local authority and special schools not maintained by a local authority can only grant such a leave of absence under regulation 11(11), where an application is made in advance by a parent the pupil normally lives with (or the pupil if they will be over compulsory school age by the time of the absence).</p> <p>Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.</p> <p>Schools that are not required to follow regulation 11, must still use this code to record where a pupil is absent with leave for a reason that is not covered by another leave of absence code.</p> <p>Pregnant pupils</p> <p>Leave for maternity is treated like any other leave of absence in exceptional circumstances. Schools are expected to act reasonably and grant a sufficient period of leave from school, taking into consideration the specific facts and circumstances of each case. Ultimately, it is at the school's discretion how much leave to grant.</p>
D	<p>Dual Registered at another school</p> <p>*Statistical authorised absence</p>	<p>The law allows a pupil to be registered at more than one school. This code is used to indicate that the pupil is absent with leave to attend the other school at which they are registered. The main examples of dual registration are pupils who are attending a pupil referral unit, a hospital school or a special school on a temporary basis.</p> <p>The school at which the pupil is scheduled to attend must record the pupil's attendance and absence with the relevant code. Code D may only be used by either school for a session where the pupil is scheduled to attend the other school at which they are registered. Schools should ensure that they have in place arrangements whereby all unexpected and unexplained absences are promptly followed up.</p>

E	<p>Suspended or permanently excluded and no alternative provision made (prior to 6th day provision)</p> <p>*Statistical authorised absence</p>	<p>The pupil is suspended from school or permanently excluded from school, but their name is still entered in the admission register, and no alternative provision has been made for the pupil to continue their education.</p> <p>When a pupil of compulsory school age is suspended or permanently excluded on disciplinary grounds from a maintained school, pupil referral unit, academy, city technology college, or city college for the technology of the arts, alternative provision must be arranged from the sixth consecutive school day of any suspension or permanent exclusion. Where alternative provision is made for the session in question and the pupil is attending it, schools should record this using the appropriate attendance code in regulation 10(3) Table 2 or if the pupil is attending another school at which they are a registered pupil, schools should record this using code D (dual registered at another school).</p>
G	<p>Holiday not granted by the school</p> <p>*Statistical unauthorised absence</p>	<p>The school has not granted a leave of absence and the pupil is absent for the purpose of a holiday.</p> <p>A school cannot grant a leave of absence retrospectively. If the parent did not apply in advance, leave of absence should not be granted.</p>
I	<p>Illness (not medical Appointment)</p> <p>*Statistical authorised absence</p>	<p>The pupil is unable to attend due to illness (both physical and mental health related). Schools should advise parents to notify them on the first day the child is unable to attend due to illness.</p> <p>Schools are not expected to routinely request that parents provide medical evidence to support illness absences. Schools should only request reasonable medical evidence in cases where they need clarification to accurately record absence in the attendance register – i.e. making a decision that code I is the absence code that accurately describes the reason the pupil is not in school for the session in question. In the majority of cases a parent's notification that their child is too ill to attend school will be that evidence and can be accepted without question or concern. Only where the school has genuine and reasonable doubt about the authenticity of the illness should medical evidence be requested to support the absence.</p> <p>Where medical evidence is deemed necessary, school should not be rigid about the form of evidence requested and should speak to the family about what evidence is available. Schools should be mindful that requesting additional medical evidence unnecessarily places pressure on health professionals, their staff and their appointment system, particularly if the illness is one that does not require treatment by a health professional. Where a parent cannot provide evidence in the form</p>
		<p>requested but can provide other evidence, schools should take this into account. Where a parent cannot provide any written evidence the school should have a conversation with the parent and 87 pupil, if appropriate, which may in itself serve as the necessary evidence to record the absence.</p>

L	<p>Late</p> <p>*Statistical authorised absence</p>	<p>The pupil was absent when the register started being taken but arrives before the register is closed. All schools are expected to set out in their attendance policy the length of time the register will be open, after which a pupil will be marked as absent. This should be the same for every session and not longer than 30 minutes.</p>
M	<p>Leave of absence for the purpose of attending a medical or dental appointment</p> <p>*Statistical authorised absence</p>	<p>Schools should encourage parents to make appointments out of school hours. Where this is not possible, they should get the school's agreement in advance and the pupil should only be out of school for the minimum amount of time necessary for the appointment.</p> <p>Schools maintained by a local authority and special schools not maintained by a local authority can only grant leave of absence for this under regulation 11(11), where an application is made in advance by a parent the pupil normally lives with (or the pupil if they will be over compulsory school age by the time of the absence), and the school is satisfied that, based on the individual facts of the case, there are exceptional circumstances which justify the leave.</p> <p>Schools that are not required to follow regulation 11, must still use this code to record a leave of absence has been granted for the purpose of attending a medical or dental appointment.</p> <p>If a pupil is present at registration but then leaves the school to attend a medical or dental appointment during the session in question, no absence needs be recorded for that session</p>
N	<p>Reason for absence not yet established</p> <p>*Statistical unauthorised absence</p>	<p>Schools must follow up all unexplained and unexpected absence in a timely manner. Every effort should be made to establish the reason for a pupil's absence. When the reason for absence has not yet been established before the register closes, the absence must be recorded with code N. 90</p> <p>Where absence is recorded as code N (reason not yet established) in the attendance register, the correct absence code should be entered as soon as the reason is ascertained, but no more than 5 school days after the session (regulation 10(7) to (9)). Code N must not therefore be left on the pupil's attendance record indefinitely; if a reason for absence cannot be established within 5 school days, schools must amend the pupil's record to Code O.</p>
O	<p>Absent in other or unknown circumstances</p> <p>*Statistical unauthorised absence</p>	<p>Where no reason for absence is established or the school is not satisfied that the reason given is one that would be recorded using one of the codes statistically classified as authorised.</p>

P	<p>Participating in a Sporting Activity</p> <p>*Statistical authorised absence</p>	<p>The pupil is attending a place for an approved educational activity that is a sporting activity. The sporting activity must take place during the session for which it is recorded.</p> <p>A pupil can only be recorded as attending a place for an approved educational activity if:</p> <ul style="list-style-type: none"> • the place is somewhere other than the school, another school where the pupil is registered, or a place where educational provision has been arranged for the pupil by a local authority. • the activity is of an educational nature; • the school has approved the pupil's attendance at the place for the activity; and • the activity is supervised by a person considered by the school to have the appropriate skills, training, experience and knowledge to ensure that the activity takes place safely and fulfils the educational purpose for which the pupil's attendance has been approved. <p>If schools have concerns about the appropriateness of an activity, they can seek advice from the sports' national governing body. The final decision on approving the activity, however, rests with the school and they should take the effect on the pupil's general education into account.</p> <p>Schools have responsibilities for the safeguarding and welfare of pupils attending an approved educational activity. The school will need to be satisfied that appropriate measures have been taken to safeguard the pupil. Schools should ensure that they have in place arrangements whereby the provider of the sporting activity notifies the school of any absence by the pupil. The school must record the pupil's absence using the relevant absence code.</p>
R	<p>Religious observance</p> <p>*Statistical authorised absence</p>	<p>The pupil is absent on a day that is exclusively set apart for religious observance by the religious body the parent(s) belong to (not the parents themselves).</p> <p>As a general rule, 'a day exclusively set apart for religious observance' is a day when the pupil's parents would be expected by the religious body to which they belong to stay away from their employment in order to mark the occasion. If in doubt, schools should 86 seek advice from the parent's religious body about whether it has set the day apart for religious observance. 358. If a religious body sets apart a single day for a religious observance and the parent applies for more than</p>

Absence from School for Exceptional Circumstances - Information for Parents

There is no longer a provision in law for Headteachers to authorise an absence for the purpose of a term time holiday.

You are required under the Education Act (1996) to ensure your child attends school regularly. This has been defined by the Supreme Court as 'in accordance with the rules prescribed by the school' meaning attending every occasion available unless authorised by the Head Teacher. There is, however, a discretionary power held by Headteachers to authorise absence in exceptional circumstances. Please note this is **not an entitlement**. The Headteacher will only authorise absence in line with the East Riding Behaviour & Attendance Partnership 'Absence from School for Exceptional Circumstances' Policy. Headteachers will not authorise absences if they believe it is to the detriment of a child's education. **Please note that supporting documents to aid decision making must be submitted at the time of your request for absence.**

Any unauthorised absence will be recorded on your child's attendance records. This may result in legal proceedings against you, either through a Penalty Notice or the Magistrates' Court.

Penalty Notices

Under the Anti-Social Behaviour Act (2003) the local authority and schools have statutory powers to tackle poor school attendance and/or unauthorised absences. An unauthorised absence is any absence that the Headteacher has not given permission for or where an explanation has not been provided by the parent. If your child accrues 10 sessions of unauthorised absence, you may be liable for a penalty notice (one day's absence equals two sessions and a five-day absence is equal to 10 sessions etc.).

Penalty Notices will be used as a deterrent to prevent a pattern of unauthorised absences developing. They will be issued by post direct to the home of a parent after possibly just one warning, or in the case of absences without acceptable cause, warnings may not be given. This includes pupils caught on truancy sweeps, persistent late arrival after the close of registration **or unauthorised absence that has not been authorised as an absence from school for exceptional circumstances**. In these cases, the warning is given on the absence request form and detailed within this information leaflet and no written warning will be given. Where parents do not follow school procedures of submitting a request and simply remove their child without seeking prior approval, a warning may not be given. Parents must complete a request for exceptional leave form and submit this to the school, allowing for sufficient time to enable the school to consider the request and inform the parent of the decision.

Fines are issued for unauthorised absence of 5 or more days and each school day is divided into 2 registration periods. **For example, if your child is absent for one day this equals 2 sessions, and a five-day absence is equal to 10 sessions.**

- If your request is declined and you take your child out of school each person with day-to-day care of the child(ren) may be issued with a £160 penalty notice if paid within 28 days this reduces to £80 if paid within 21 days. If after 28 days the fine remains unpaid you may be summonsed to appear before Magistrates to explain why your child has unauthorised school absences and you may be liable for a fine of up to £1000.
- Where it is deemed appropriate to issue a second penalty notice within 3 years of the first penalty notice, the second penalty notice will be charged at a flat rate of £160 if paid within 28 days. If after 28 days the fine remains unpaid you may be summonsed to appear before Magistrates to explain why your child has unauthorised school absences and you may be liable for a fine of up to £1000.
- If a third penalty notice referral is received within a 3-year period, a further penalty notice fine cannot be issued and legal action will be considered.

Support and guidance on attendance is always available and if you have any questions about this, or if you need help to achieve an improvement, please contact your child's school to discuss this.

We advise that you do not plan for your child to be absent from school without gaining prior agreement from their school first. Headteachers cannot retrospectively authorise absence from school under any circumstance.
