

# Hunsley Primary Statement Regarding Sport Premium Spending and Pupil Engagement in School Sports

## What is the Sport Premium?

The Sport Premium is grant funding which comes directly to schools to spend on the development and improvement of physical education and sports in primary schools. It is paid to schools which have Key Stage 1 and 2 pupils on roll.

## Funding for 2019-20

- Schools with 16 or fewer eligible pupils receive £1,000 per pupil.
- Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

## How to use the PE and Sport Premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

## Hunsley Primary Sport Premium Spending Plan 2019-20

Schools should use the premium to:

- develop or add to the PE and sport activities that school already offers
- make improvements now that will benefit pupils joining the school in future years

For example:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the School Games
- run sports activities with other schools

Schools should not use the funding to:

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of core staffing budgets
- teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach the existing PE curriculum)

### Our Vision for Sport and Physical Education at Hunsley Primary

The school believes that the opportunity to take part in sports and physical activities is the right of every child, regardless of age, gender, ability or interest. It is the school's obligation to ensure all children are offered regular, meaningful opportunities to participate in physical sports and that all children are encouraged to do so, their personal achievements celebrated, both as individuals and as a team. The school's motto is 'We are a Team!' which is fitting in all areas of the curriculum, but especially team sports and physical activities, and we extend this team ethos to our teaching colleagues at the secondary school by engaging as often as possible with whole school sports clubs and events at South Hunsley and working closely with the PE staff and Community Sports Leaders to provide our pupils with engaging activities and role models to deliver them. Such activities raise the levels of engagement in sports in our young children and consequently raise the sense of wellbeing and involvement, as well as, more broadly, their overall achievement academically: we identify there is a link between full engagement in sports, a sense of wellbeing and good levels of attendance.

### Hunsley Primary has three priorities for the development of Physical Education and Sports in 2019-20:

#### 1) To continue to raise the level of participation in diverse sports activities for all children, in school and beyond

- Provision of workshop and coaching opportunities and to support the future development of sports opportunities in our school **and beyond in the community**
- Provision of resources and equipment which are forward-looking for the growth of the school, but which also offer a wider range of sporting development, **especially for children moving into Year 4**
- To enable access to a range of engaging sporting spaces and resources throughout the year and to model the use of these to Hunsley Primary staff through contact with coaches and trained PE teachers

#### 2) To enable the children to participate in competitive inter-school sports activities

- Development of **longer term partnerships and links with other schools**, including the secondary school, South Hunsley and partner school North Cave
- Development of relationships with role models through sport (e.g. the Tigers' Trust, School Sports Leaders and Sports Captains)
- Establish a culture of sports enjoyment that will move the children forward into **team sports beyond school and impact on their lifestyle choices at home**

#### 3) To identify talent and support specific additional needs across the school, and to continue specifically to enable a much more personalised delivery of differentiated PE sessions which can stretch and challenge children of all levels of skill, ability and potential

- Provide a range of professionals to work with children in large and smaller groups
- To establish a Hunsley Primary **Key Stage 2 Football Team**, which will provide role model structures for younger years in school
- To coach primary staff in specific skills in order for them to be able to then coach the pupils who need support and those who need challenge

## Hunsley Primary Sport Premium Spending Plan 2019-20

- To create a point of comparison between sports, so that children might find areas of specialism and also might develop preferences and specific interests which they go on to further as they move through the school in order to develop at a higher level of sport performance, e.g. competitively
  - 4) **To allow the Year 4 pupils access to curriculum swimming lessons**
- To ensure that all Year 4 pupils are able to access a full **statutory curriculum of Key Stage 2 swimming lessons** and to aim for all pupils to improve towards the national standard, with those who are non-swimmers being able to access the pool and develop confidence in the water
  - 5) **To set down the foundations of a new phase of off-site team-building activities, for Key Stage 2, with the introduction of a PGL experience for Year**
- Provision of **alterative physical activities (climbing, caving, team-building etc)** which the children would otherwise not access, using the Sports Premium funding to help provide transport and equipment for this off-site experience

### Measuring the Impact of the Sport Premium

Impact will be measured in the following ways:

- Progress of individual pupils in PE (SIMS)
- Progress of groups of pupils in PE, e.g. girls (Sims)
- Engagement of pupils in extra-curricular PE activities in school and beyond
- Achievement of pupils in PSHE Health and Wellbeing (Sims)
- Achievement of pupils against the Hunsley Primary Characteristics of Learning across the year
- Feedback from staff members regarding the effectiveness of CPD (M&E: Staff CPD feedback forms)
- Judgements of Teaching, Learning and Assessment in PE lessons (M&E: lesson observations and zoning)
- Feedback from secondary Community Sports Leaders involved, parents and pupils (M&E)
- Attendance figures for all children, especially on PE curriculum days
- The development and longevity of partnerships with external agencies and groups
- Participation in competitions organised by school
- Participation in clubs and activities organised by home
- Attendance of parents at school Sports Day events.

### How we will make the impact of the Sport Premium sustainable and how will the children benefit from the funding

**We will use the Sports Premium to enable us to meet the above 5 key objectives and to provide opportunities for staff development to make those objectives achievable. We will do so by:**

## Hunsley Primary Sport Premium Spending Plan 2019-20

- Adding to and developing existing sports equipment and activities, including introducing new sports which the Trust is aiming to encourage and develop (for example, sports for inclusion and for those pupils with special needs)
- Planning out our longer term use of the funding for the benefit of pupils joining the school in the future, especially developing spaces in school for play, sports and competition.
- Look to develop a sustainable competitive element with regard to sports and our growing relationship with partner schools and the children progress from Year 1 to 4.
- We will develop a culture of sports participation and enjoyment, so that the school's children and staff embrace physical activity, competitive and non-competitive sports and develop a team ethos across the Trust partnership of sharing expertise between staff

### Sport Premium for 2019-20

#### HUNSLEY PRIMARY HAS 120 ELIGIBLE PUPILS

120 eligible pupils: £10 per pupil plus £16,000 = **£17,200** (this covers the number of pupils likely to be registered in school in the October 2019 census – there may be subtle adjustments)

#### **REVIEW 2019-20 SUMMER**

**THIS YEAR, WE HAVE NOT BEEN ABLE TO MEET THE FULL LIST OF ACTIVITIES AND RESOURCE PURCHASES PLANNED, DUE TO THE COVID 19 LOCKDOWN IMPACT. THOS ACTIVITIES OR RESOURCE PURCHASES WHICH HAVE NOT GONE AHEAD ARE SHADED IN GREY.**

**WHERE THERE HAS BEEN MEASURABLE IMPACT PRIOR TO MARCH, THIS IS SIGNALLED IN THE RIGHT HAND SIDE COLUMN. THERE WERE NO END-OF-YEAR COACH REPORTS AND VERY LIMITED END OF YEAR ACADEMIC / CHARACTERISTICS OF LEARNING ASSESSMENTS.**

**A VIRTUAL SPORTS EVENT TOOK PLACE IN JULY WHICH HAD LIMITED PARTICIPATION. ADDITIONAL PURCHASE OF ONLINE RESOURCES HAS BEEN ADDED AT THE END OF THIS SPENDING PLAN.**
