

Hunsley Primary Pupil 'Journey to School' Agreement

Year 5 and 6

For the parents and carers of children in Years 5 and 6 who plan for their child to independently journey to school, this agreement **must** be signed and returned to school prior to the child arriving and departing without parental supervision.

.....

Parent Agreement:

I agree for my child to arrive and depart school without parental / carer supervision. I understand that I am responsible for ensuring my child attends school each day on time and returns home at the arranged time, and that school will contact the named priority contacts if my child does not arrive at school for the start of the school day. I also understand that I am responsible for the safety, behaviour and welfare of my child on their journey to and from school, including their conduct and the safety of any bike / scooter and helmet my child uses to travel. I understand that the school office opens at 8.15am (each school day) and closes at 4.15pm (Monday to Thursday) and 3.45pm (Friday) and that all telephone messages are picked up at 8.15am the following school day.

I understand that if my child brings a mobile phone with them for the journey, they will switch this off and hand it in at the start of the day and will not have access to it during the school day. *Please note: at this time, mobile phones are only allowed in school for children who travel to and/or from school on their own.*

.....

Child Agreement:

I agree that I will arrive at school on time. I understand that I am an ambassador for the school whilst travelling to and from the school site and must behave on my journey in a way that upholds the Hunsley Primary Values. If I use a bike or scooter to travel to and from school, I will put it carefully in the appropriate shelter and be considerate of other people's bikes and scooters stored in there.
