Dear Parent / Carer,

Re: Hunsley Primary Newsletter

A warm welcome to the first Newsletter of the year!

We have had such a super week, welcoming the children back to school and meeting our new starters, beginning their journey with us. I especially enjoyed my time in Reception last week and look forward to teaching the EYFS children each Friday. We are also happy to welcome a new member of the team, Kate Spavold, who joins us as a full-time TA.

Thank you to our families for being brilliant in your support of our routines and systems. We have included some of the essentials in the Newsletter below, so that you can click on the information you need. Great attendance is the first and foremost aspect of school achievement, so we will always ask for families to aim for the best possible attendance for their child – more below about this.

A little information about the staff team leaders and their responsibilities:

- This year, **Julie Boyes** takes on the full role of SENCO, helped by the team of teachers and TAs to offer inclusive, adaptive teaching and bespoke provision for additional areas of need; Julie continues as our Designated Safeguarding Lead and Wellbeing Lead, supported by Amelia Clark as her designated deputy
- **Rachel Cheeseman** is leading on pupil and family engagement, Early Years, and transition in Reception and Key Stage 1, supporting our children to remove barriers to achievement through inclusion;
- **Billy Sloan** leads on Maths, computing and KS2/3 transition support, and this year is organising our Pupil Leadership Team – a newly-developed team of children to liaise with the four 'committees' we have already (Wellbeing Ambassadors; Eco-Team; Reading Ambassadors and Activity Leaders)
- **Kirsty Wicks** is our English Lead, responsible for all aspects of English including phonics and early reading, and the work we are doing as a Trust school on Talk for Writing, as well as our work with the English Hub.
- **Lauren Gale** continues as our PE and Sports Lead, responsible for running extra-curricular engagement in sports and for leading the Activity Leaders, who are fantastic playground role models

The Hunsley team members all work together to ensure that inclusion and engagement are on the top of everyone's list. My role is to lead across each of these school development aspects. I oversee our wider teaching and associate team, working closely with children, families, Governors and partners in our Trust and community, listening and responding, making sure that we offer the best we can for your child's care and education. We are so pleased that you have chosen Hunsley Primary for your child's school journey, and we look forward to the year ahead.

Yours sincerely,

Lucy Hudson
Headteacher

APPLYING FOR A RECEPTION PLACE – SEPTEMBER 2027

Calling All Little Brothers and Sisters

We want to give a quick shout-out to any of our current HP families who have a child already at Hunsley and a younger, pre-school aged sibling coming up. Please do let the school know if you would like us to add their details to our Register of Interest list for Reception 2027 and beyond - this will help ensure that you get communications in relation to Admissions, as well as our usual emails.

Important Dates – further information about the applications process can be found on our website - <https://www.hunsleyprimary.org.uk/admissions/>

Hunsley Primary Open Events

Applying for a place at Hunsley Primary is the first step to securing a place for your child on an outstanding learning journey!

16 April 2027

National Offer Day for Reception

We run a series of Open Events to give a flavour of our EYFS provision at Hunsley Primary and our next ones will take place on:

Welcome to Hunsley! - Tuesday 29 September – 4.00pm- 6.00pm

Christmas Fayre! - Tuesday 1 December– 4.00pm – 6.00pm

If you know anyone that may be interested, please do let them know! We would love to welcome them to the events.

ALL YEAR GROUPS

SAFEGUARDING AND WELLBEING FOCUS

AI is being used to turn ordinary photos of children into sexual abuse material. The National Crime Agency and Internet Watch Foundation have issued new guidance to help parents make informed choices about sharing images of their children online. It covers reviewing privacy settings, revisiting consent with your child as they grow, and what to do if you're worried.

The parent's guidance can be found here: <https://www.iwf.org.uk/resources/ai-child-abuse-imagery-parent-guide/>

Drop-off, pick-up and other general routines

A few quick 'housekeeping' reminders about arrival and departure:

- Please can parents / carers of EYFS-Year 3 children walk your child around to the rear of school on arrival and **please wait on the playground until your teacher comes out** and make sure the children stay with you at all times before handing them over to the teaching team at the classroom door between 8.50am and 9am. Please pass this message on to grandparents and other designated carers, too. It is important that the children don't run ahead of their adult, as these times can be very busy.
- The eastern pedestrian gate can be used by parents / carers accompanying their EYFS-Year 3 child on and off the site. For everyone else, including Y5 and 6 children with permission to travel to school unaccompanied, the main (western) pedestrian entrance is the best gate to use, where teachers will meet and greet the Y4, 5 and 6 children at the start of the day and dismiss them from here, too, at the end of the day.
- For Year 4, 5 and 6 children being dropped off in a morning by parents / carers at the main gate, we ask that the children stay with you until the gates open so that they are fully supervised. Children with permission to travel unaccompanied should be reminded to line up outside the pedestrian gate and behave appropriately as they wait for their teachers to open the gate at 8.50am.
- A reminder to parents / carers not to use the vehicular access gates as pedestrians - these gates open and close automatically and for safety should not be used for access / egress by parents / carers. All our gates are automatic, so we ask that everyone is careful when near them.
- Bikes and scooters should be walked when on site. Don't forget - dogs and other pets are not allowed onsite at any time (unless a designated and trained assistance animal).
- Please feel free to use the scooter and cycle park at the front of school. We will also remind children how to use these facilities - please note that bikes / scooters are left at the owner's risk. Please do not let children lean or climb on the facilities in the cycle and scooter park.
- At the end of the day (3.30pm), **please can all EYFS-Y3 parents and carers wait down on the rear playground until the classroom doors are opened as this helps to avoid congestion outside the classroom doors** whilst the classes are getting ready for the end of the school day. Your child's teacher will let you know when to come up and collect them.
- Finally, please can we ask all parents, carers and visitors to the site to park carefully in the designated areas on Bluebird Way and to be mindful of pedestrians and children using the paths and roads to cross. If you can walk, scoot or 'park and stride' to school, this helps to reduce traffic congestion and helps us with our sustainability goals, too!

School Attendance – the expectations

All parents/carers should familiarise themselves with the [schools' policies and procedures](#) and our Hunsley Primary Focus on Attendance and School Health document should be read in conjunction with them - [Hunsley-Primary-Focus-On-Attendance-and-School-Health.pdf](#)

Reporting absence and Appointment letters/confirmation

Unplanned Absence - You must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible in one of the following ways:

- calling the school 01482 330883
- emailing enquiries@hunsleyprimary.org.uk
- using the absence reporting on the Arbor Parent Portal/App.

If your child is absent for more than one day, please ensure that you contact the school **on each morning of the continued absence**.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness. Please give clear details of the reason for absence including your child's symptoms.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parent/carer will be notified of this in advance.

Medicines Procedure

Children who are feeling under the weather but are not suffering from symptoms such as high temperature, sickness or diarrhoea can be supported at school through our medicines procedure. Under the guidance of East Riding of Yorkshire Council and Public Health we can administer unprescribed medicines such as paracetamol-based medicines in the short term (48 hour period). If your child's symptoms persist longer than this, we would recommend that you seek medical advice.

All medicines must be handed in at the school office and a 'Medicines to be administered in school form' must be completed. Please do not under any circumstances send medicines in your child's school bag. If they attend a club or the wraparound provision, please ensure that the medicines are handed to an appropriate adult. A 'Medicines to be administered in school form' can be completed even if the school office is not open as these are available in the entrance foyer of the school.

Planned Absence

We ask parents and carers to arrange medical and dental appointments outside of school time where at all possible. If this is not possible, attending a medical or dental appointment will be counted as authorised as long as you notify the school in advance of the appointment by telephoning or emailing on 01482 330883 / enquiries@hunsleyprimary.org.uk. ***You should also provide the school with a copy of the appointment confirmation.***

The pupil should be out of school for the minimum amount of time necessary and we will always aim to work with families to ensure this is the case.

Requesting Term Time Absence and Exceptional Circumstances

Please do not arrange for family holidays during school time. We strongly advise that holidays are usually unauthorised, and that the national expectation is for children to be in school daily, throughout the year, so they can benefit educationally and socially from this routine and are prepared for life after school.

The headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for. The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence.

An **'Exceptional Absence Request Form'** should be completed which is accessible via the school office or website. The headteacher may require evidence to support any request for leave of absence.

Exceptional circumstances could include:

1. Service personnel returning from a tour of duty abroad where it is evidenced the individual will not be in receipt of any leave in the near future that coincides with school holidays.
 2. Where an absence from school is recommended by a health professional as part of a parent or child's rehabilitant from a medical or emotional issue.
 3. The death or terminal illness of a person close to the family.
 4. To attend a wedding or funeral of a person close to the family.
- Where there are exceptional and unforeseen circumstances that fall outside of 1 to 4 above, the headteacher agrees to consult with the principal education welfare officer prior to any authorisation being given to the parent. The principal education welfare officer will discuss each case with an independent Headteacher and will make a recommendation to the referring school.

Absence from School for Exceptional Circumstances Request Form Hunsley Primary			
**Please Note all sections of this form require completing in order for your request to be considered.			
Child(ren)'s Name(s)	DOB	Year	
<i>Please add all children to one form</i>			
Parental Full Name	Parents Tel	Parental DOB	
Home Address of parent(s) responsible for this absence		Email address	
I request permission for my child/ren to be absent from school between:	Date of first day of school absence	Date to of return to school	Total of days absent from school
All requests should be discussed with the Headteacher prior to submitting this form. Please detail below the reason for your request for absence from school in term time and include any supporting information. The Headteacher will not be able to consider your request without your supporting documents. Please read carefully the Absence from School for Exceptional Circumstances Information for Parents attached.			
Parent's Declaration: I have read the Absence from School for Exceptional Circumstances Information for Parents and understand I/we may receive a penalty notice if my/our child receives unauthorised school absence as a result of this request. Please note the school day is divided into 2 registration periods, for example if your child is absent for one day this equals 2 sessions and a five day absence equals 10 sessions.			
Full Name: _____		Full Name: _____	
Signed: _____ (Parent/Carer 1)		Signed: _____ (Parent/Carer 2)	
Date: _____		Date: _____	
Please note:			
¹ Parent: In this Act, unless the context otherwise requires, "parent", in relation to a child or young person, includes any person— (a) who is not a parent of his but who has parental responsibility for him, or (b) who has care of him. (Education Act 1996 sec.578)			

Please note: Evidence would be required in each case.

An example of evidence for point 4 above would be a wedding invitation or funeral programme/notification that details the date, time and location.

If you are unsure, please contact the school.

Please ensure that when completing the 'Exceptional Absence Request Form' your dates cover the entire length of the absence. If your child will be leaving school during the school day or arriving back part way through the day, please ensure that you include the relevant times as well.

For requests for family holidays/events where the school is unable to authorise the absence, the 'Exceptional Absence Request Form' must still be completed in line with the schools' policy. It is important to note that additional absences that occur either side of a requested absence such as illness will be monitored closely. If there is a concern about the authenticity of the absence, then the school may request evidence of your travel details and/or medical evidence.

If no form is completed, as with unplanned absences, where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parent/carers will be notified of this in advance.

Communication with School

We want to be able to respond quickly and effectively to any query or worry you might have as a parent or carer. If you have a query/concern, please do not hesitate to contact the school office or speak with your child's class teacher on the door.

If you do not have an opportunity to talk to the class teacher at the start or the end of the day, then please contact the school on 01482 330883 or send an email marked for the attention of the class teacher to enquiries@hunsleyprimary.org.uk

School Office Opening Times

Monday to Thursday	–	8.15am – 4.15pm
Friday	–	8.15am – 3.45pm

Please note - Voice messages and emails can be left outside of these hours and will be picked up when the school office opens.

Meals at Hunsley

Free School Meal Eligibility changes

All children in Key Stage One (Reception, Year 1 and Year 2) are entitled to take up a daily free school meal as part of the Universal Free School Meals for Infants national initiative. Year 3, 4, 5 and 6 are not entitled to this free school meal initiative, as they are in Key Stage 2.

From the start of the 2026 to 2027 academic year, the DfE are expanding FSM eligibility to all children from households in receipt of Universal Credit regardless of household earnings.

You can find out more by visiting this website: [DfE Information about Free School Meals](#)

Free school meals are available to pupils in receipt of, or whose parents are in receipt of, one or more of the following benefits:

- Universal Credit
- support under Part VI of the Immigration and Asylum Act 1999

A pupil is only eligible to receive a free school meal where both:

- a claim for this support has been made
- their eligibility has been verified by the school where they are enrolled or by the local authority

Households may also be entitled to a meal if they:

- are in receipt of income-related Employment and Support Allowance
- receive the guaranteed element of Pension Credit
- meet criteria set out in separate guidance for [families with no recourse to public funds](#)

If you have not yet applied for free school meals but think you may meet the criteria, please click on the link here to apply –

<https://www.eastriding.gov.uk/learning/schools-colleges-and-academies/school-meals/free-school-meals/>

Payment for School Lunches for KS2 (Y3 – Y6) Pupils

As per above in Key Stage 2, a free school meal cannot be given unless the school has been officially notified that the child is entitled to it, therefore money should be added to your child's 'Meals' account

on the Arbor Parent Portal/App if you would like them to have a school lunch. The cost of a school lunch is **£2.55**.

Accessing Arbor Parent Portal

To log into the Parent Portal please visit <https://hunsley-primary.uk.arbor.sc>. If you have not logged into Arbor before, please click 'Forgot your password?' and follow the prompt to set up your password accordingly.

Please note you must use the Username and Password fields – you will not be able to log in using the single sign on button "Log in with Microsoft".

Your username is the email address we have recorded on our MIS, Arbor, and your password will be the one that you have created. If you are unable to log in, please contact the school for assistance.

For further information on topping up accounts and viewing payments, please visit - [Top up accounts and viewing payments in the Parent Portal – Arbor Help Centre](#)

Ordering a School Lunch – all pupils

The lunch register is taken as part of the morning registration. The children will notify their teacher if they are having a school dinner or a packed lunch during registration and the orders will then be sent to the kitchen for the day. Our school menus are available for parents to view on our school website and the menu for next academic year will be uploaded in due course - [Useful Downloads - Hunsley Primary](#)

Some of our families choose to send a packed lunch. If your child brings a packed lunch instead of taking up the school dinner, there are guidelines on the school website about foods we would ask you to avoid, e.g. nuts, Nutella and similar spreads containing this allergen - <https://www.hunsleyprimary.org.uk/parent-info/mealtimes/>

RECEPTION

Lunches in Reception

As we have mentioned above, Reception and Key Stage 1 children are entitled to a universal free school meal. We would really encourage parents to take this up. The staff here are adept at supporting children to eat and to try new things, which really helps in their development too. You can help your child to choose the night before and always talk to the team in the morning – or put a note in the planner – if you have any questions.

National Early Years / Reception Baseline

You may recall that we carry out the national statutory baseline assessment at the very start of a child's EYFS journey with us. This is a check that Reception children across the country undertake and it is carried out by the children's teacher. It is designed to be an age-appropriate check and if you would like to know more about the Baseline itself, you can follow this link to the Gov.uk website [LINK](#).

If you would like to know more about how our Trust processes and uses data, or our privacy policies, you can read about this on our Policies page on The Education Alliance website [LINK](#)

Tapestry – Learning Journey

Tapestry is a secure online Learning Journey, which enables staff to record the 'wow' moments in your child's development in EYFS, as well as the longer observations and assessments we complete in-school. We add photographs and video which help to share highlights as they move through the year. The photos are a great record of those moments.

We will soon begin to set up the Tapestry accounts for our Reception parents/carers. In the meantime, please find below some further information about how we use Tapestry.

- **Who sees the Learning Journey?**

Only key staff in the Reception class team will contribute to the Learning Journey. Parents see the Learning Journey online if they log into the secure portal.

- **What can parents add at home?**

You can add your child's unique 'wow' moments that happen at home: the first dance lesson or sports achievements; family traditions; events which show your child's development, such as a new skill or hobby. Please be aware of permissions if using photos which show others. You can also add your comments at the end of our observations, where there is a space for feedback.

- **What about security?**

You will have the secure password for your child's account. All parents have been asked whether they are happy for their child to appear in another child's Learning Journey, Peers are not named by staff – they will refer to 'a friend' or 'a classmate' in their text. Your child will not be included in their peers' online electronic portal if you have requested for this not to happen. We do still ask parents not to recirculate on social media and again to be mindful of privacy and the Tapestry Terms of Use on their website.

- **How often will school add to the Learning Journey online?**

School will update the Learning Journey throughout the term. Parents will be able to add their comments and own 'wow' moments at any point. School will have sight of parents' inputs when they are uploaded.

If you have any questions about your child's online learning journey, please do not hesitate to contact the school.

YEAR 1

Tapestry – Learning Journey

Your child's learning journey from their EYFS year will be available for you to view until **19 September 2026**. After this time the accounts will no longer be accessible to our Year 1 parents/carers. The school will download a copy of your child's learning journey and make this available to you.

Phonics Screening Dates

Please do not arrange for your child to be absent from school during this week:

Monday 14 to 18 June 2027

YEAR 6

SATS Dates – Please do not arrange for your child to be absent during this week:

Monday 10 May to Thursday 13 May 2027

Admissions to Secondary School 2027

If you have a child who was born between **1 September 2015** and **31 August 2016** it is time to apply for their Year 7 school place for September 2027.

EAST RIDING
OF YORKSHIRE COUNCIL

This year the admissions team will not be posting reminder letters so please see the information below on the application process.

The deadline for making your application is 31st October 2026.

All parent/carers must apply for their child's school place regardless of whether they live in the school's catchment area; if their child currently attends the school's nursery; or if their child has an older sibling already attending their preferred school. If you live in East Riding of Yorkshire you must apply to us if you want your child to attend any state-funded school in the next school year, whether that school is in East Riding, or another local authority area. If you live in a different county/area you should apply to your own local authority.

Each address in East Riding of Yorkshire is in the catchment area of a secondary school. To check what your catchment area school is please go to the [East Riding School Catchment Map](#). Please see instructions at the end of this email for how to search using your address.

When applying for a school place, up to three school preferences should be named, we strongly recommend that the catchment school is one of the three preferences.

All applications must be submitted by 31 October 2026, and we will inform you of the outcome of your application on National Offer Day – 1 March 2027. If the place your child is allocated is at a school which you are not in the catchment area for, or if you move out of the catchment area you now reside in, then you may have less chance of being successful when applying for any younger siblings.

Before applying for a school place, we advise that you consider the information and guidance on 'normal admissions' on our website www.eastriding.gov.uk/apply-for-a-school-place

The East Riding of Yorkshire Council *Guide for parents on secondary admissions* contains information on our policies and procedures as well as schools' oversubscription criteria. We recommend that you consider this information prior to making an application. Applications for school places should be made on East Riding of Yorkshire Council's Citizen Portal which can also be accessed from this page.

If your child has an Education Health Care plan (EHCP), you do not need to apply using the Citizen Portal, you will need to contact your education health and care officer who will be able to support you in applying for a school place for your child. If you are unsure who your education health and care officer is, please contact the SEND team – send.enquiries@eastriding.gov.uk telephone: 01482 394000.

Finally, if you have received this email and you do not have a child who was born between 1 September 2015 and 31 August 2016 please email us so that we can amend our records – schooladmissions@eastriding.gov.uk

Catchment Map Advice:

Please follow this link: [School catchment areas](#) and use the following instructions:

1. Scroll down the page to the "How to find your catchment area" section and click on it.
2. Click the blue button labelled "View the catchment area map".
3. In the top right of your screen, in the "map layers" window click the relevant tick box to choose either primary or secondary catchment boundaries.
4. In the top left of the screen, type your postcode into the search bar and press the search icon.
5. Select your address from the drop-down list.
(if your house name or number is not on the list, you can search again using the house number followed by a comma and then the postcode, e.g: 101, HU17 9BA).
6. Your address should now be identified on the map with a yellow circle.
7. Click just outside of this circle and a new pop-up window should appear showing the catchment school.

You can zoom in and out of the map to see the catchment boundaries.

If your address appears close to a boundary line, or you are unsure of the catchment area, please email the admissions team so that we can check this for you – schooladmissions@eastriding.gov.uk

Citizen Portal Advice -

For residents who have not used the Citizen Portal previously you will need to register for an account and verify your email address before starting the online application. Residents who have used our Citizen Portal before, should log in using their existing email address and password. More information about registering can be found on the home page of the Citizen Portal.

When selecting which Transfer Group to use, please ensure that you use the option 'First Admission to Secondary 2027' and not 'Apply for a School Transfer'.

Please follow this link to access the Citizen Portal: [Citizen Portal - Sign in \(eastriding.gov.uk\)](https://eastriding.gov.uk)

If you have recently submitted an online application for your child, and after considering all the guidance available to you both in this email and in the Guide for Parents, you decide that you are happy with your preferences, you need do nothing further following receipt of this email. Should you wish to change your preferences in any way, online applications can be amended at any point up to **31 October 2026** but please ensure that you re-submit your application once amended.

HUNSLEY PRIMARY PARENT PARTNERS (HPPP)

Join Us!

Here is an invitation (and a bit of a plea) for interested parents and carers to join our Hunsley Primary Parent Partners to help run the events they are trying to organise. The HPPPs would really welcome some hands-on help, so that they can run their discos, summer events, and other activities, such as the tuck shop, ticket sales, setting up the summer fayre, planning meetings and so on.

It would be great to have your involvement; so, if you are interested in joining or just helping out now and again, please do either get in touch with school or with the HPPPs themselves, via their facebook site or via email.

If you have more time to spare, or you know someone who does - such as a grandparent - and would like to be involved more fully with volunteering for the HPPPs or school in the longer term, we will arrange for you to have your volunteers' checking process, so that you can take part in activities such as school visits and get involved more over time in school life, for example being a reading supporter.

We really look forward to hearing from you and to helping our Parent Partners to run the exciting activities they have planned for the children. **Thank you to everyone who has so far got in touch with school about volunteering. We will be back in touch soon with details of next steps.**
