Re: Hunsley Primary Newsletter

Dear Parent / Carer,

I hope that this Newsletter finds you all well. The blue skies over Hunsley Primary are back in force today and we cannot believe how quickly the weeks are rushing past into winter festival season. The children are learning about celebrations such as Bodhi Day, Hanukkah and Christmas, as we move through the year.

The Trim Trail was officially opened with a ribbon-cutting last week 😊 In my **Pupil Voice Plus** feedback session this week, I asked my group of Year 4s and Year 1s what they enjoyed about school, whether they felt included and whether they felt safe – all my usually check-in questions! The Trim Trail got a good few mentions and the two groups all shared that they enjoyed school, felt really safe ('Our adults and the older children look after us' was my highlight) and were looking forward to taking part in the activities to come – like Pedestrian training.

House Team Development Day (last Friday) was a fantastic day – the children love wearing their comfy clothes and contributing to the colour hampers – these will be raffled at the Christmas Fayre, so watch this space! Our theme last week was Respect and Friendship, and the classes all helped to draft our **Respect Charter and our Friendship Code** – more about these soon, as we work with the children to finalise the two documents and begin to share them with our whole community. Here are some of the classes' ideas in draft from the day.

Anti-Bullying Week (and Odd Sock Day!) also coincide with **Road Safety Week** and we have some reflective stickers to give away to anyone who would like them, for bikes, scooters, bags and coats – just call in at the Office and collect one or two, or pass them on to someone who needs them, perhaps walking to school on those darker mornings.

Next week, it is UK Parliament week and Year 6 have already had a taste of politics last week, in their **Learn with the Lords live interview with Baroness Wilcox of Newport**. Learn with the Lords is a unique opportunity for children to interact with a member of the House of Lords and learn more about the vital role of the House of Lords in the UK Parliament, as well as ask about careers and issues that are important to them. The children really impressed us with their interest and their engagement.

We really hope that you can join us at our **forthcoming Christmas Fayre** – more below – so please pop the date in your diaries and come along for festive fun.

Wishing you all a restful, happy weekend and thanks for your continued support,

Yours sincerely,

Lucy Hudson

Headteacher

Don't forget, we are social! Follow us on

APPLYING FOR A RECEPTION PLACE – SEPTEMBER 2027

Calling All Little Brothers and Sisters

We want to give a quick shout-out to any of our current HP families who have a child already at Hunsley and a younger, pre-school aged sibling coming up. Please do let the school know if you would like us to add their details to our Register of Interest list for Reception 2027 and beyond - this will help ensure that you get communications in relation to Admissions, as well as our usual emails.

Important Dates – further information about the applications process can be found on our website - https://www.hunsleyprimary.org.uk/admissions/

15 January 2027	**Closing date for 'on-time' applications for Reception**	Applying for a place at Hunsley Primary is the first step to securing a place for your child on an outstanding learning journey!
16 April 2027	**National Offer Day for Reception**	We run a series of Open Events to give a flavour of our EYFS provision at Hunsley Primary – find out more by keeping an eye on our Newsletter.

Hunsley Primary Christmas Fayre – in collaboration with the HPPPs

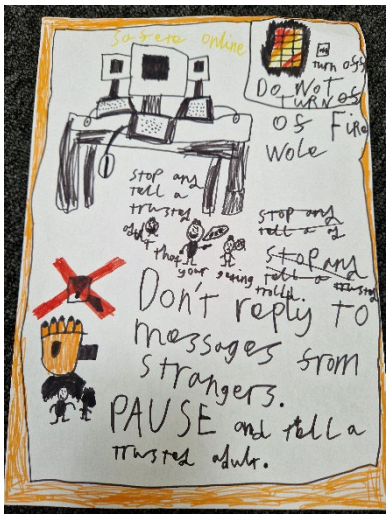

The Education Alliance (operating as Hunsley Primary) is a charitable limited company registered in England and Wales No. 321365825 whose registered address is at the above.

SAFEGUARDING AND WELLBEING FOCUS

Staying Safe Online
As part of Anti-Bullying Week, some of the children have been finding out more about online safety and kindness. Year 4 made their own calm-slides to help them to reflect on their wellbeing and some children created posters to support their friends to stay safe.

If you would like to know more about the ways to keep your child safe online, please do drop in on the TEAL Online Safety Hub:

https://theeducationalliance.onlinesafetyhub.uk/

INFORMATION FOR ALL CLASSES

School Inclusion Group – parents, carers, school staff and stakeholders

Mrs Cheesman would like to invite current members of our Parent Inclusion Group, along with any new parents or carers who would like to join the group, to our next meeting on **Wednesday 25 November at 2.45pm.**

Play and school transition will be our two focus areas this year as we continue to build on our inclusive provision. Your views, experiences and ideas are really valuable to us, as we work together to ensure every child continues to feel supported, valued and able to thrive.

We would love to hear from existing members, and anyone interested in joining the group, so please do email 'enquiries' to let us know if you would like to attend. **We shall be co-constructing a map of inclusion with our members, so that your voices can contribute to the development of our whole school offer.**

Eco-Team Newsletter

Eco News:* *Earth's new heroes

Hello Eco Pupils!

We are back and never more determined to save our planet [or at least our school!]. Soon we will dive into the World's wacky Eco things like hedgehog signs, deadly bird feeders and even speaking to our MP! So without further ado let's go.

Electrifying!

To start: our first news! Energy Sparks, the company, is once again coming to our school! We will take them on a tour as the Eco team and hopefully makes some eco-wise and bill-wise differences.

DON'T EVEN THINK ABOUT IT!!!!!!!!!!!!!!

Did you know that your bird feeder could kill wild birds? Now it's October, we can start to feed the garden birds again. Over the summer months, RSPB asked us not to feed the wild birds. This is because the bird feeders could carry diseases. Eco Club will be feeding the birds this month with great care, and we are looking forward to seeing our feathered friends again. Remember, keep your birds safe!

Mission Possible with our MP!

We are thrilled to announce that our local MP, Sir David Davis, has replied to us. Before the summer, Mrs Mutter our Eco leader helped us to ask David Davis and team to do something about PLASTIC. They replied: the government are trying to reduce single use plastic in businesses in the UK! Watch this space…

The World's Newest Warriors:

We are proud to share that we have new Eco warriors.The two of them have been inspired by our fun and enjoyable presentations and our economical heists.They are very excited to join our Eco Club journey. We are thrilled to welcome them in.

Hello Autumn!

Guess what time it is …AUTUMN!!!
We might have to say goodbye to the sun, but it doesn't mean it will stop the fun. We will keep you updated in a few weeks time, about our leafy adventures. But for now, stay safe and remember to always go GREEN!

This Eco-newsletter was written by Alba, our Eco newswriter, and friends.
Always there for our school,

ECO CLUB! Bye! :]

Lifestyle - £200 donation for Eco Themes

We are so grateful to the Lifestylers for their amazing donation to the school Eco-Team. Watch this space for the decisions they make about how to spend the money to make a real difference to the group's sustainability projects.

RECEPTION AND YEAR 1

EYFS and Year 1 Christmas Performance

We are pleased to confirm that the EYFS and Year 1 Christmas performances will take place on:

- Monday 14 December, 2.00pm
- Tuesday 15 December, 2.00pm

The performances are expected to take at least an hour and at the end the children will be taken back to their classrooms to get ready for the usual end of day routines.

RECEPTION

Mini Pedestrian Training for EYFS

As part of our work over the next academic year on developing outdoor skills and physical exercise, we are pleased to be able to offer your child the opportunity to participate in 'Mini pedestrian training' at school. This training is designed to be one of the first steps in road safety for EYFS pupils. The programme is also designed to complement the pedestrian skills, scooter skills and Bikeability training children receive in later year groups.

A letter (HP2507) with further information has been sent home. Please complete the online form by Monday 30 November.

YEAR 1

Toys from the Past – Parent/Carer/Grandparent Invitation
In History in Year 1 we have been exploring 'Toys of the Past' and comparing them with modern toys that the children like to play with nowadays! One of the children's learning objectives for this unit is being able to describe why a toy is 'clearly old' compared to their toys, and to talk about old toys belonging to parents and grandparents at different times in the past.

We would therefore love to involve the children's families in this learning experience! We would like to invite up to two parents, carers or grandparents per child to share their reminiscences about toys they enjoyed when they were children. The children will be deciding upon their own questions to ask about the toys their older family members once played with, and it would be amazing if you would like to bring in actual examples or photographs of toys too! We recognise that many of the toys will be delicate and precious, so please only bring them in if you feel able to- stories are just as good!

A letter (HP2519) with further information has been sent home. Please complete the online form and let us know which family member/s will be joining us.

Phonics Screening Dates

Please do not arrange for your child to be absent from school during this week:

Monday 14 to 18 June 2027 (incl)

YEAR 2

Scooter awareness Training for Year 2
As part of our work over the next academic year on developing outdoor skills and physical exercise, we are pleased to be able to offer your child the opportunity to participate in 'Scooter Awareness Training' at school. This training is designed to be one of the first steps in road safety for Year 2 pupils. The programme is also designed to complement the pedestrian skills and Bikeability training children receive in later year groups.

A letter (HP2508) with further information and consent form has been sent home. Please complete the East Riding Road Safety team consent form and return it to the school by Monday 30 November.

YEAR 4

Practical Pedestrian Skills Training for Year 4
As part of our work over the next academic year on developing outdoor skills and physical exercise, we are pleased to be able to offer your child the opportunity to participate in '**Practical Pedestrian Skills Training**' at school. This training is designed to be a great skill and stepping stone before Bikeability training children receive in Year 6.

A letter (HP2509) with further information and consent form has been sent home. Please complete the East Riding Road Safety team consent form and return it to the school by Monday 30 November.

Multiplication Tables Check

Please do not arrange for your child to be absent during this period.

This statutory screener takes place annually in Year 4 in June. The Multiplication Tables Check (MTC) 2027 takes place within a two-week statutory administration window starting on Monday 7 June 2027.

How can I help my child with their Times Tables?
We would love to have your help with the children's challenge of learning all their multiplication tables and achieving their best outcomes in Year 4. The children must achieve 25 out of 25 to reach the expected national standard in the timed MTC test at the end of Y4. This is always helped by daily practice at home, and by using resources such as Hit the Button and TT Rockstars.

Here are some links to help you to support your child to reach this goal:

HUNSLEY PRIMARY CHOIR

Elloughton / Brough Christmas Light Switch on – Sunday 29 November 2026
We are excited to say that the Hunsley Primary Choir have been invited to take part in the Elloughton / Brough Christmas Lights Switch On this year on **Sunday 29 November**.

HUNSLEY PRIMARY PARENT PARTNERS (HPPP)

Join Us!

The Annual General Meeting of the Hunsley Primary Parent Partners took place this week – thank you to the new families who joined us! The HPPPs will be working with the school team on organising and running our Christmas Fayre, and will be – amongst lots of other things – raffling the donations everyone raised for the school colour hampers! Thank you to everyone in our community for this huge effort. Don't forget, all parents and carers are part of this association and everyone is welcome to share ideas at any time. If you would like to know more about getting involved, please reach out to Laura, Gaby, Louise and Kara either in the playground or through their social media - Facebook and Instagram.

ECO CLUB

Cut Your Carbon Month - November
The Eco-Team are asking their friends to try to cut their carbon footprint this month – see below if your child would like to get involved!

The Education Alliance (operating as Hunsley Primary) is a charitable limited company registered in England and Wales No. 321365825 whose registered address is at the above.

THE EDUCATION ALLIANCE

How many of the Cut Your Carbon challenges will you complete this November?

📌 Stick this checklist on your fridge and start cutting carbon today!

Make three evening meals plant-based across the month
Meat production is responsible for around 14% of the world's greenhouse gas emissions, so make three evening meals plant-based and discover how delicious cutting carbon can be!

Make any four journeys 'active' across the month
Transport creates nearly a quarter of the UK's carbon emissions. Active travel - such as walking, scooting, wheeling, or cycling - doesn't emit anything! So, get active and ditch the drive!

Meal plan to reduce food waste for one week
Research suggests that the average person wastes 95kg of food per year! At each stage of the life-cycle of wasted food, from production to rotting at landfill, carbon is produced. Plan your meals, shop smart, and waste less – it's good for the planet and your wallet!

Lower your washing machine temperature to 30°C for three washes across the month
Washing machines are energy-hungry! Drop the temperature to 30°C for three washes this month and cut carbon without sacrificing clean clothes. Cool it to care!

Have a device-free day
Electricity makes up about 25% of your home's carbon footprint. Power down non-essential devices for one day – no gaming, no streaming – and rediscover the joy of offline fun!

Turn down the heating by 1°C for a week
Heating is the top source of home carbon emissions in the UK. Turn it down by just 1°C for a week, layer up, and show your love for the planet – one cosy jumper at a time!

Share 3 pieces of carbon-cutting advice
To conquer climate change, we all need to work together. Share three pieces of carbon-cutting advice with people you know. You might remind a brother or sister not to waste food, challenge a grandparent to time their shower or share a plant-based recipe on social media.

Substitute 4 baths for 4 showers and limit them to 4 minutes
Capping your shower at 4-minutes long can save over 50 litres of water, whilst saving the energy required to clean, transport, and heat this water. We recommend using a 4-minute song as a timer that you can sing-along to!

Opt for a refillable water bottle 3x a week across the month
Switching from buying bottled water to using a refillable bottle is great for the environment. It reduces the amount of plastic waste that enters our oceans whilst cutting the carbon emissions produced in manufacturing.

Find out more about Cut Your Carbon in our 90 second explainer video

Eco-Schools | KEEP BRITAIN TIDY. | POSTCODE LOTTERY | POSTCODE EARTH TRUST

☐ Make 3 evening meals plant-based across the month.

☐ Make 4 journeys active across the month.

☐ Meal plan to reduce food waste for one week.

☐ Have a 'device-free' day.

☐ Drop your heating by 1°C for a week.

☐ Substitute 4 baths for 4 showers and limit them to 4 minutes.

☐ Share 3 pieces of carbon-cutting advice.

☐ Lower your washing machine temperature to 30°C for 3 washes across the month.

☐ Opt for a refillable water bottle 3x a week across the month.

East Riding Schools' Music Service – Instrument tuition

EAST RIDING OF YORKSHIRE COUNCIL

- Tuesday – Violin – Miss Quantick
- Wednesday – Guitar – Mrs Fountain
- Wednesday – Brass - Mr Walker
- Thursday – Keyboard – Mrs Finney

The ERSMS aim to deliver 30 small group ensemble lessons across the academic year, which parents/carers pay for. It is possible that your child may access more than this – if this is the case there will be no additional charge for the extra lessons.

How do I pay?

The cost of the East Riding Schools' Music Service tuition for the academic year 2026-27 has now been deducted from the 'Club/Tuition Payments' account on your Arbor Parent Portal/App - https://hunsley-primary.uk.arbor.sc. Please log in and make your payments accordingly – the suggested minimum payment for each instalment is £16.86, which would equate to 10 monthly payments to clear the balance, however parents/carers are welcome to make payments of differing amounts as and when it is convenient.

Please note that the final balance must be cleared by 1 June 2027.

Guidance on making payments can be found on the Arbor support page - https://support.arbor-education.com/hc/en-us/articles/22123135039773-Top-up-accounts-and-viewing-payments-in-the-Parent-Portal#h_01KKH42ABYXD7D3F94QQZNQCFY

Cancellation Policy

Please note, if you decide to cancel your child's music tuition lesson, we require a **full term's notice** by email to enquiries@hunsleyprimary.org.uk, **for which payment must be made**. Your child can still continue to receive their music tuition lessons during this notice period. For example, if your child wants to end lessons in the summer term then you must notify us at the beginning of the spring term, otherwise you will be charged for the summer term.

HUNSLEY PRIMARY EVENTS CALENDAR

Keep the date!

Please see below some key dates that you may wish to add to your calendar.

The school term dates can be found on our website - **https://www.hunsleyprimary.org.uk/parent-info/term-dates/**

Monday 23 November	Vaccination UK – Pupil Flu Immunisations session 2
Wednesday 25 November, 2.45pm	School Inclusion Group meeting
Sunday 29 November	Elloughton / Brough Christmas Light Switch on - Hunsley Primary Choir
Monday 30 November	Practical Pedestrian Skills Training for Year 4

Tuesday 1 December, 4.00pm – 6.00pm	Christmas Fayre and whole school open event
Wednesday 2 December, 2.45pm – 3.20pm	Year 1 Toys from the Past event

NHS Foundation Trust

East Riding Mental Health Support Team

The East Riding MHST is part of the wider early intervention offer across the region and works in partnership with other local services and organisations. The MHST is embedded within local schools and education settings, working to provide accessible advice and support when it is needed.
Our MHSTs work across education and healthcare and provide consultation to support schools to identify and manage issues relating to mental health and wellbeing.
We deliver high quality evidence-based interventions for children, young people and families who experience mild to moderate emotional wellbeing difficulties. The team can also support children, young people and families to access other local and specialist services depending on presenting needs.
If you would like more information about our service, you can access information on our website;
Mental Health Support Teams (My MHST) - Connect NHS
You can also follow us on our Facebook and Instagram social media pages @mymhst
Additionally, over the coming weeks our practitioners will begin embedding and introducing themselves to your school community. We look forward to working with you.
